Real Christmas Trees Look at their best for approximately 3 weeks

Once the Tree is installed, it cannot be removed. If you are any queries, please ask the installation team onsite immediately.

Power Points must be available within 1 metre of the tree.

If all decorations and lighting are not returned an additional loss / breakage fee applies

We recommend all trees are installed in Water Stands which should be regularly topped up with water

We accept no responsibility if for some reason the tree deteriorates due to conditions, such as excessive heat, cold, drafts or sunlight.

We reserve the right to remove your tree at anytime without notice, if payment is not made as agreed.
