Terms & Conditions

- Prices quoted are for Rental of Irish Grown Real Christmas Trees suitable for offices, homes or apartment complexes. Trees are provided with full decoration including lighting and stand. Price includes installation, decoration, removal and recycling after Christmas.
- Price includes delivery in the Greater Dublin Area during normal working hours Monday - Friday
- Prices Exclude VAT @ 23%
- Please note Tree sizes are approximate. Adjustment may have to be made to ensure tree is stable once in situ and to fit stand
- Real Christmas trees look at their best for approximately 3* weeks - if you want your tree installed for a longer period it's at your own risk.
- Once the tree is installed, it cannot be removed. If you have any queries please ask the installation team onsite at time of install.
- Power points must be available within 1 metre of the trees final position
- If all decorations and lighting are not returned and additional loss/breakage fee will apply
- All trees are installed in water stands to ensure lasting, however please note it is important that the water is topped up; this is the responsibility of the client.
- We accept no responsibility if for some reason the tree deteriorates due to conditions, such as heat, cold, drafts or sunlight
- We reserve the right to remove your tree at any time without notice, if payment is not made in full once installed or as agreed with a member of the sales team.
